President, P.D.E.A., Pune.

President's Message

Dear Students,

I am indeed very much pleased to note your keen interest in joining the college of the Pune District Education Association. As a President of the Association, I cordially welcome you all. I must say that your critical wisdom is reflected in selection of our college and the courses for your further studies.

Observing young people like you all around me, sensing their hopes, aspirations, ambitions and vision, I must say that future of young generation is full of opportunities and promises. At our Association's education campuses, we offer an excellent infrastructure; that include modern facilities of computers and ICT tools, good laboratories, rich libraries, study rooms, auditoriums etc. housed in the beautiful buildings. Majority of our students pursue post- graduation after graduating from our colleges. Number of our students are getting benefits of the training and placement services offered at the college campuses.

Our faculties are motivated and are student centric. They help students to meet their goals and objectives by imparting quality education and trainings. 'Quality Education at affordable cost is our mission. Our qualified, young, energetic and enthusiastic teaching staff is always on forefront to assist the students. It helps in overall development of the students for facing the competition and challenges of the knowledge era.

You will be happy to know that the track record of achievements of our colleges is indeed commandable. Infrastructural facilities at colleges are constantly upgraded. Learning and extra-curricular activities enable our students to bring laurels in various competitions in the academics, sports and cultural activities.

At this juncture, I appeal you to commit to your resolution. I want you to really work on it hard and with sincerity. We are with you to help. I wish you all the best for your career.

Sd/-
Your's Sincerely
Sunetra Ajit Pawar

About PDEA

P.D.E.A. is a parent institute and backbone of our College. Shri. Baburaoji Gholap founded "Pune District Education Trust" on 7th September 1941 with a sole aim of educating the rural families of Pune District to create the bright future generation. Motto of PDEA is ***"Benefit and Happiness of the Society"***.

Shri. Baburaoji Gholap was strongly supported by Mr. Annasaheb Awate, Mr. Shankarrao Ursal, Mr. Mamasaheb Mohol, Mr. Mamasaheb Pimple in this Good venture project.

From 1941 to 1955 P.D.E.A. started 379 schools in Pune District to promote education in the rural areas.

In the year 2000, under the leadership of former President, Prof. Ramkrishna More, PDEA was honored with the prestigious "Best Institution Award" by the Government of Maharashtra which a evidence of the quality work of the PDEA in spreading education among rural population of the Pune District.

Since 2006 to Jan 2026 Hon'ble Ajit Pawar serves as the President of P.D.E.A., which oversees Primary, Secondary, as well as Professional educatin. Recently Hon'ble Sunetra Ajit Pawar is President of P.D.E.A.Pune.

Hon. Shri. Sharad Pawar Ex. Union Agriculture Minister, Govt. of India is our Guardian and Hon'ble Sunetra Ajit Pawar, Dy. Chief Minister of Maharashtra is our President.

As of today. P.D.E.A. operates 08 Senior Colleges, 12 Professional Colleges, 30 Higher Secondary / Junior Colleges, 61 Secondary Schools, 25 Professional Courses, 12 Primary Schools & 10 Pre-primary English / Marathi medicum schools.

Professional Institutes of P.D.E.A:

1) College of Ayurved and Research Centre, Nigdi
2) Engineering College
3) Polytechnic College
4) Pharmacy College
6) B.Ed. College
5) Law College
7) Management Courses eg. M.B.A., M.C.M., M.P.M., D.B.M., D.C.M.

Principal's Note

I am happy to write this page as a Principal of College of Ayurved & Research Centre. I hope would provide the essential information about the programmes and developments along with many aspects of our unique institute and to all students and concerned people. Recently we have been accredited 'A' Grade by NAAC and also our institute has stood 6th National rank in QCI rating.

Recently we have completed Twenty-Five years of our dedicated serviceta the field of imparting health and education in Ayurved. In all these years we have achieved a great success. From the inception our Students have secured top positions at State level in Maharashtra University of Health Science examinations.

Ayurved which is a "Science of Life" is rapidly globalizing and people are aware that Ayurved will serve the suffering humanity in this new millennium. By creating a suitable atmosphere in college, we are achieving our goal of creating awareness regarding this science of life among the students. Our progress is whole worthy. At present we have 14 Post Graduate departments.

Working with an aim to provide best in academics and clinical excellence we organize various value added,add on course guest lectures, workshops, seminars, clinical and research meetings, visits of students to various renowned herbal gardens and scientific places for research projects carried under each department.

As research in our primary aim the institution has taken various initiatives such as carrying out as projects sanctioned by AYUSH & MUHS Basic research methodology workshop in collaboration with MUHS for PG students and teachers, every year samshodhansanskarkaryashala for newly admitted PG students this lead to progress of evidence based ayurved.

Our institute has its own well equipped Central Research Laboratory (CRL) Quality control laboratory (QCL) All departments are also indulged in separate research projects. Our UG students also actively carry our research projects under UG scholarship for students by M.U.H.S. Students participate enthusiastically in Avishkar which is a research platform for the students by MU.H.S. our Institute also run PHD in 13 subjects fellowship course and certificates course are also conducted by our institute.

We have 178 beded spacious NABH Accredited Hospital with well-equipped and furnished OPD's & IPD's. All major and minor surgeries are performed regularly in our major, minor, gynac, orthopaedic &ophthalmic OT Ultramodern Pathology Lab, USG, CT Scan & ICU, NICU facilities are available. All types of Panchakarma are carried out under expert opinion at our well-furnished Panchakarma Unit., We organize special free medical check-up and treatment camp at centre and periphery area of PCMC to provide health service and propagation of Ayurveda at the grassroot level of the society. lam very much thankful to all the dignitaries from our parent body. Pune District Education Association (PDEA) for their timely valuable guidance and support which encourage us all the time to get the success in every aspect of car institute. Last but not the least, I consider that our success lies in the teamwork and work culture of our institute. We believe that our esteem is a blessing from lord Dhanwantari.

Dr. Ragini R. Patil
Principal

College of Ayurved & Research Centre (C.A.R.C.)
