Annual E-Governance Report 2022-23

PDEA's College of Ayurved & Research Centre has effectively implemented information and communication technology in academic planning & development, administration, finance and account, student admission & support, and examinations. The use of e-governance has increased transparency, efficiency, proper record-keeping, and cut short the time required to retrieve the required information.

To keep pace with innovative technology used in the day-to-day work of educational institutes, the college updates ICT facilities and improves IT infrastructure. Training programs for teaching and non-teaching staff are arranged regularly for the utmost implementation of ICT.

Areas of e-governance are as follows:

- **Academic Planning & Development**

1. Departmental YouTube channels –Serves as a repository of knowledge for staff and students
2. Online Lectures via Zoom and Google Meet- For seeking guidance of eminent personalities based at distant places.
3. Online conduction of Parent-teacher meetings from time to time.
4. Google Classroom –For assignments and discussion, to enhance communication beyond the working time.
5. Use of audio-video aids in teaching by using LCD projectors in the classroom.
6. Implementation of LMS started in 2023-24
7. Internet Facilities and Computer Labs with WI-FI are useful for the students and teachers to add latest information about the topic.
8. Distribution of Timetables, competition information, etc. is done through WHATSAPP groups. This facilitates real-time and quick communication.
9. A comprehensive website provides all sorts of information about the institute.
10. The Library has installed automated ILMS software (Auto-Lib NG and PDEA ERP system) to assess data of readers and maintain records. The facility of a digital library enabled the students and teachers to assess sources like DELNET, e- PG Pathashala, National Digital Library of India, MUHS Knimbus Library, etc.

- **Administration**

1. PDEA's ERP software is used for student enrollment, fees, etc. PDEA's EMS system keeps track of teaching –nonteaching staff profiles and leaves.
2. Ayursoft software is used in the hospital for daily entry of OPD and IPD patients along with lab, panchakarma etc.

3. Necessary tools such as computers, software, internet are purchased, maintained, and updated regularly as per the budgetary provisions.

- **Finance and account**

1. ERP & Tally is used to maintain accounts
2. An E-tendering Portal facility for procuring materials like chemicals, glassware, sports equipment, etc. is available.

- **Student admission & support**

UG, PG, Fellowship, and PhD admissions of students are done through ERP system & online mode as per the directives of the government and MUHS.

- **Examinations.**

ICT tools are used to communicate timetables, to keep records of marks, to fill examination forms, etc. The institute also serves as a center for university exams. Specific software provided by the university is used to avoid malpractices and for entry of the marks for oral examinations. Digital evaluation center for MUHS examination has been established.

- All the activities of the institute are supervised by CCTV

Forwarded for the approval of Governing Council committee.
