Policy document on providing financial support to teachers

The Pune District Education Association's College of Ayurved & Research Centre in Nigdi, Pune, provides financial support to the teaching staff, Recognizing the vital role the teachers play in achieving the institution's mission to teach and discover. Financial support is provided by the institute to attend Seminars/Workshops/Conferences etc. This support document has a well-defined set of aims and objectives.

The primary aim is to provide teachers with financial support to improve quality/ update knowledge and to disseminate research findings. The objectives include reducing the financial burden of registration fees for attending Seminars/Workshops/Conferences etc. publishing research articles.

To achieve these objectives, the institution has implemented the following policy

- Per annum, 10 % of the total Teachers will be provided financial support for registration fees to attend International /National conferences/seminars/ workshops/FDP organized by renowned organizations.
- Every year new teachers will be provided financial support to attend seminars/ workshops/conferences, to avoid repeat support for the same teacher.
- To avail this facility of financial support the teacher has to submit an undertaking stating that any other sources do not provide financial support.
- Teachers will be provided 50% of the article processing fee for publishing research articles in the journals included in the UGC CARE list/Pubmed /Scopus/Web of Science if a budgetary provision in a sponsored trial or grant is not made.
- 20% of the total teachers will be provided financial support towards membership fees of reputed and registered professional bodies.
- The final decision about providing financial support lies with the Principal
