Ayurveda Pulse Diagnosis

Naadi Pariksha is one of the tools of patient examination which is still unexplored in many ways. It is a difficult task to analyze Dosha – Dhatu - Mala on the basis of Naadi Pariksha as it requires a great dedication, concentration and faith in ancient ayurvedic science. It is more than just examining the pulse. Globally people are very curious about Naadi Pariksha described in Ayurveda. So, we are taking this opportunity to organize a webinar on this interesting topic.
