PDEA'S College of Ayurved and Research Centre, Nigdi, Pune

MOODLE learning management system (LMS)

PDEA'S College of Ayurved and Research Centre, Nigdi, Pune has Subscribed to TechDivinity India Enterprises Pvt. Ltd. which provides a MOODLE learning management system (LMS) which are focused on enabling institutions, to be efficient in their learning, skilling, and overall academic operations with the use of digital platforms. PDEA'S College of Ayurved and Research Centre, Nigdi, Pune is committed to delivering quality and value-based academic environments to its stakeholders through its digital campus solution.

A MOODLE learning management system (LMS) is a collaborative learning platform, the platform architecture supports a collaborative pedagogical model to enrich participatory learning by offering course delivery, assessment, and other learning opportunities in a community delivery mode.

Salient features of MOODLE learning management System

The key elements of the MOODLE learning management System include: -

- ✚ Learning and Online Assessments
- ✚ Communication and Collaboration
- ✚ Personalized feedback

✚ Learning and Online Assessments

- Access to Learning Resources anytime, anywhere
- Makes learning immersive using video, audio, PPTs, and other forms of content
- Provides links to learning material on the web, enabling the learner to dip into the best resources on a subject
- Facilitates training from industry professionals and subject experts
- Conduct assignments after every learning module to help benchmark outcomes
- Online assessments with different question types permitted to assess Learners

Communication and Collaboration

- Learners can share their knowledge and resolve doubts using a suite of collaboration tools including forums, blogs, debates, surveys, questions, wikis, and more
- Peer collaboration and competition facilitates more learning and better test outcomes
- Avail of seamless communication between the learner and trainer using a host of tools: calendar, event publishing, and others
