Brief summary of the event: On 17/11/2022 guest lecture was organized by Rachana Sharir Department. Mr Krutarth Shevagaonkar and Mr. Bramhanath Nilkantha who are working as a Manas- mitra in Parivartan samstha, were our guest speaker. Dr Dinesh Naik gave brief introduction of Guest Speakers. Felicitation was done by Dr.Prashant Tople. Mr. Shevgaonkar gave information about the Addictions their types. They explained Addiction is an illness. Often, there is a misconception on what steps need to be taken to deal with addiction, and what factors increase the tendency of addiction.

Drug addiction is life-threatening irrespective of its treatment and helps with therapies, counselling, and medications and rehab centres. However, addicts must ensure follow-ups never to retake these drugs. Family and friends play a vital role as they must support the addicts during the recovery process.

Afterwards he played 2 online videos on screen, regarding the topic and discussed with staff what they learned from these plays. Dr Naik gave vote of thanks.
