**Report of National Webinar on
Last Minute Preparation and Secrets to crack
AIAPGET 2021**

To,
The Principal,
CARC, Akurdi, Pune

Venue: Online via Zoom App & YouTube Live Streaming
Participants: 140 (79 on zoom & 61 on YouTube)
Organizers: CARC Alumni Committee Members
Speaker: Dr Vishwatej Parakhi (Alumni)
Dr Parshuram Pawar (Alumni)

CARC Alumni Committee Members organized a 'National webinar on Last Minute Preparation and Secrets to crack AIAPGET 2021 for students who are going to appear for AIAPGET 2021. For this webinar 285 response was received.

For this webinar, 2 of our alumni Dr Vishwatej Parakhi & Dr Parshuram Pawar was invited as speaker. Dr Parshuram Pawar is alumni of 1992 batch of CARC. He is M.D. in Dravyaguna. He has his own coaching institute of PG Entrance Exam for B.A.M.S. graduate students. Several students have taken benefits of his coaching. Dr Vishwatej Parakhi is also proud alumni of our college. He was very active & bright student of CARC. He has scored II rank consistently in UG MUHS Exams. He has completed his post-graduation in Dravyaguna from Jamnagar University. Now he is doing Ph.D. from Jamnagar University. These both eminent speakers shared their thoughts in this webinar.

Dr Satyendra Singh did Anchoring of this webinar very enthusiastically. The webinar was get started with Dhanvantari Stavan which was sung by Dr Illa Bhor in her peaceful voice. Then Dr Madhuri Mahadar gave some information regarding our Institute with the help of PPT presentation. Dr Mayura Jadhav introduced our eminent speakers. The technical support was given by Dr M. M. Bhanage, Dr Jitendra Tapasvi & Dr C. Phadake.

As the speaker Dr Parshuram Pawar is well-known coach, his guidance for last minute preparation will be very helpful to the exam going students. He told students to focus on weak points in the remaining days & concentrate on Samhitas, especially Charak & Sushruta Samhita. While solving practice test papers, point out the difficult areas, where get wrong though the question was easy (due to hurry or did not read full options, etc.) and in last two days period focus on these points only. Numerical data in each subject

is important in AIAPGET, so focus on it. He also guided about the negative marking. He told that negative marks will be get deducted from solved question, so if you are not sure about any question it is better to leave that question without attempted. As well, Modern Medicine is only 20%, so don't waste time on it rather concentrate on ayurvedic part.

Dr Vishwatej Parakhi also guided very well. He also asked students to concentrate on Samhitas. He also told to try to use mnemonics. Sincere efforts will definitely give success. He gave best wishes to students.

After that Dr Lad appreciated to the speakers and webinar organizers for such successful event.

Dr Satyendra gave brief information regarding admission cell of CARC and about the link of MOCK Test prepared by CARC.

Dr Mayura gave vote of thanks.

For this webinar, Dr Ajit Patil was invited as speaker. He is M.D. in Ayurveda & running coaching classes successfully for P. G. Entrance Examinations for Ayurveda Students.

Dr Satyendra Singh did anchoring of this webinar very enthusiastically. The webinar was got started with Dhanvantari Stavan by Dr Ila Bhor in her peaceful voice. Then Dr Madhuri Mahadar gave some information regarding our Institute with the help of PPT presentation. Dr Mayura Jadhav introduced our eminent speaker. The technical support was given by Dr M. M. Bhanage, Dr Jitendra Tapasvi, Dr Divyashree K.S., Mr Navagire & Mr Shitole.

As the speaker Dr Ajit Patil is well-known coach, his guidance for last minute preparation will be very helpful to the exam going students. He told students to focus on weak points & concentrate on Samhitas, especially Charak & Sushruta Samhita. While solving practice test papers, point out the difficult areas and the topics where they tend to do mistakes. Numerical data in each subject is important in AIAPGET, so focus on it. He also guided about the negative marking. He suggested that negative marks will be get deducted from solved question. As well, Modern Medicine has only 20%, so concentrate on ayurvedic part only. At the same time, he gave some instructions regarding technical issues regarding examination pattern.

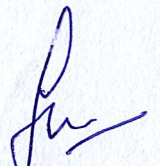

After that Dr Lad appreciated the speaker and organizers of webinar for such successful event. She appealed all attendee to subscribe the YouTube channel of CARC alumni Association. She also guided students regarding admission related documents.
