Department of Dravyaguna

Date: 18/11/2019

To,
The Principal
College of Ayurved and Research Centre,
Nigdi, Pune

Subject: Application for organizing value added course "Pharmacognostical Aspects of Medicinal Plants" (Identifying key characters of some important plants)

Respected madam,

Department of Dravyaguna wants to organize value added course for 2nd professional BAMS students. The subject of proposed course is "Pharmacognostical Aspects of Medicinal Plants" (Identifying key characters of some important plants). This course will help to increase power of observation which will help them to identify medicinal plants.

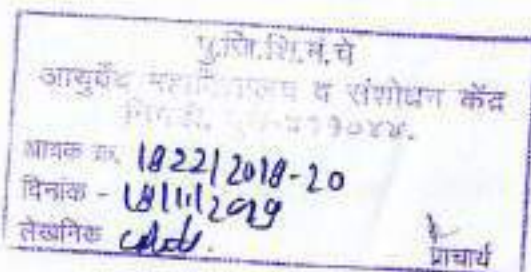

Duration of this course is 16 hours which will be conducted daily for 3 weeks (Monday to Saturday) 4 to 5 pm offline with some online guest lectures of faculties from other colleges and certificates will be issued online. We need permission to keep this course free to all 2nd year students (Aghav Batch appearing in summer 2020).

We request you to grant this course a subject code for further records like CARC/VAC/DG/PAMP-2019etc

Other details and brochure are enclosed along with this application.

Thanking you in anticipation.

Yours faithfully,

Prof. Dr M. D. Lad
Prof & Head
Department of Dravyaguna

Dr. Meenal D. Lad
M. D., Ph. D. (Ayu.)
Prof. & H.O.D.
Dept. of Dravya guna C.A.R.C. Akurdi

Course Name - Pharmacognostical aspects of medicinal plants
(An value added course on Identifying key characters of some important plants)

Introduction -

According to WHO 80% population depends upon traditional medicines which are majority plant sources. Due to lack of knowledge about its uses & identification most of the plants are included in endangered list day by day. As medicinal plants play important role in primary health care, Ayurved undergraduate doctors must know the characters & common useful plants with differential morphology of their useful parts. This is very important as pharmacognocny in the first step to ensure pharmacology or to know Pharmacotherapeutics in herbal healthcare sector.

Aims & objectives -

1. To identify medicinal plants with the help of Taxonomy
2. To increase / to develop ability of observation of plant parts & observing nature to see similarities in both nature & draya.
3. To identify medicinal plants in context of Ayurved and in terms of *Nama, Rupa, Prakriti* and *Swabhava* of *dravya*.

Course Outcome -

1. After completing this course student will understand peculiar morphological key characters of some common medicinal plants.
2. They will able to identify substitutes & adulterants of used instead of original plant parts.

Eligibility - Second professional year BAMS

Fees - Nil

Duration - From 12th Dec - 31st Dec 2019
16 hours (Daily 1 hours)

Timings - 4 to 5 PM

Assessment and Certification:

Objectives will be used for assessment:-

Students will need to solve 30 MCQs.

Passing criteria is 50 %

Objectives will be used for Certification:

75% attendance & fulfilling the passing criteria will be awarded certificate of completion.

**MODULES OF VALUE ADDED COURSE
"PHARMACOGNOSTICAL ASPECTS OF MEDICINAL PLANTS"**

Module	Title	Faculty	Date
Module 1	Basic botany Introduction, Root morphology	Dr Kulkarni Y R	12-12-2019

Module 16	Field survey and assessment		31-12-2019

Mode of Course: Offline + Online

No. of Participated Students: 59

No. of Students Qualified for Certification: 59

Report: The course was started aiming to impart the skill identification of medicinal plants in participants. Total 16 modules were designed which include some lectures on basic botany and other lectures were focused on systematic on particular families course was carried out both online and offline. Field visits were also carried out on 31/12/2019 in the Bhavprakash Botanical Garden, Dehu road to get hands on training to participants. Total 12 highly qualified faculties attached to different Ayurved Colleges from all over Maharashtra taught the modules.

Usefulness of the Course: This was the first program conducted by the department for the students to learn extra new things apart from the syllabus. Students learned new information a lot. In the beginning the botanical terms got refreshed. A new arena to study the plant using family key character was opened for them. Skills of identification of medicinal plants in near vicinity were imparted in participants. Now at least they can reach upto family & genus of medicinal plant successfully. The minute observation skills were also got developed on them indirectly.

NIGDI, PUNE- 44

DEPARTMENT OF SWASTHAVRITTA

Date:03/02/2020

To,
The Principal,
College of Ayurved and research centre,
Nigdi, Pune,

Subject: Report of Certificate course in Therapeutic Yoga2020.

Respected Madam,

As per your guidance department of Swasthavritta had organized a Certificate course in Therapeutic Yoga (SUBJECT CODE: CARC/V/ SW/TY) for third year UG students during the period 15 January 2020 to 1 February 2020.

Detail report of the Course conducted is enclosed with this letter.

Thanking you,

Yours faithfully,

Dr. R. B. Bobade

Dr. A. R. Firke

Course Coordinator

EVENT REPORT

Report of Certificate Course in Therapeutic Yoga 2020

Department of Swasthavritta had organized a Certificate course in Therapeutic yoga with prior permission. Dr. Arti Firke was appointed as course coordinator for this course.

Subject code: CARC/VAC/SW/TY

- **Beneficiary-** Course was designed for Third year BAMS students, current students of Adlinge batch.
- **Fees -Nil**
- **Aim and objectives of the course:**
 1. To teach students about importance of Yoga in their own lifestyle.
 2. To teach students management of cases of lifestyle disorders with the help of Yoga.
 3. To guide the students about how to manage pregnancy related cases, pediatric cases and geriatric cases with the help of yogic practice.
 4. Spreading our "INDIAN Yogic Science" all over the world through our trained and qualified Ayurved students.
- **Duration of Course:** 16 hours; from 15 January 2020 to 1 February 2020.
- **Brief description of the event:**
 - A Detail brochure was prepared for the advertisement and information of the course.
 - Syllabus: syllabus for this course was with 15 modules divided in 15 hours.
 - The course was conducted offline in classroom after college hours.
 - A whats app group was made for sharing the daily updates.

- Dr Arti Firke has taken first lecture of Introduction and basics of this course on first day.
 - Dr Rajkumar Bobade, Dr Deepali Manore, Dr Manjusha Potdar, Dr Supriya Sanap , Dr Madhulika Singh, Dr. Shruti Shinde were appointed as faculty for this course.
 - 3 Practical sessions were conducted based on Suryanamaskar, netikriya, Pranayam, Aasan, Garbhasanskar etc
 - One lecture for Scope of Yoga as a career was also conducted.
 - A practical exam was conducted checking the output of the course from students. 55 students gave the exam, and all passed the exam.
 - Finally E certificate "Certificate of Completion" of the course was issued to all the successful 55 students who passed the exam.
- **What students gain :**
 - Students can handle the yoga cases,
 - They also developed interest in learning and following yoga practices.
 - They can think of spreading our "INDIAN Yogic Science" all over the world

Subject: Application for organizing value added course "Medico-Legal Aspects of Clinical Practice"

Respected madam,

Department of Agadtantra wants to organize value added course for third professional BAMS students. The subject of proposed course is "Medico-Legal Aspects of Clinical Practice". This course will help in increasing awareness of medico legal issues which may arise in clinical practice in view of rising medical negligence cases against doctors.

Duration of this course is 16 hours which will be conducted daily for 3 weeks (Monday to Saturday) 3 to 4 pm. since we are conducting this course online and certificates will be issued online. We need permission to keep this course free to all 3rd year students (Aglave Batch appearing in summer 2021).

We request you to grant this course a subject code for further records, like CARC/VAC/MLACP etc.

Other details and brochure are enclosed along with this application.

Thanking you in anticipation.

Yours faithfully,

Department of Agadtantra

Course Name: Value added Course in Medico-Legal Aspects of Clinical Practice

Introduction:

Medical profession is considered as one of the noble profession in the world. Service to humanity and mankind is an integrated part of it. But nowadays there is increase in litigation against doctors. One of the culprit is inclusion of healthcare sector in the compass of consumer protection act. Also there is an increased awareness among the patients regarding medical knowledge by using internet and search engines like google.

We are taught how to save patients in all other subjects of medical curriculum. Our protection is also of utmost importance. Medical jurisprudence helps us to protect ourselves from legal issues. That's why we have prepared this course. It will guide students to safeguard themselves in their clinical practice.

Aims and objectives:

1. To increase awareness among students about medico legal situations which may arise in clinical practice.
2. To identify medico legal problems which can arise in clinical practice.
3. To guide them, how to respond if such situation arises.

Course outcome:

- 1) After completing this course student will understand medico legal rules and laws associated with day to day practice
- 2) They will be able to prevent medical negligence and medical malpractice litigations

Eligibility: Third Professional Year BAMS

Fees: Nil

Duration: 16 hours (Daily 1 hour / 16 teaching hours)

Modules:

Modules	Topic covered	Duration
Module 1	Medical ethics : 4 basic ethics, Hippocrates oath, declaration of Geneva	1 hour
Module 2	Rights and duties of RMP Rights and responsibility of patients	1 hour
Module 3	Medical Confidentiality, legal exceptional conditions to medical confidentiality	1 hour
Module 4	Medicolegal documentations : mandatory documents, information which should be present on documents, procedure for giving documents to patients, preservation of documents, documentation in case of emergency conditions	2 hours
Module 5	Consent : Informed consent , loco parentis, ethical aspects, conditions where consent needed, procedures where consent needed, format for consent, how to obtain consent, details of consent	2 hours

Department of Agadtantra

Module 6	Laws governing medical practice Bombay nursing home act, BMW act, MTP act, PCPNDT act, transplantation of human Organ act, Drugs and cosmetic rule	3 hours
Module 7	Medical negligence , types , how to avoid , what to do in such cases, how to respond, professional indemnity insurance	3 hours
Module 8	Consumer protection act	1 hours
Module 9	Certificate writing , , medial leave certificate, fitness certificate after leave, medical certification of cause of death (MCCD), Birth intimation form , certificate for testamentary purpose (will)	2 hours
Total	9 modules	16 hours

Assessment and certification:

Objectives will be used for assessment. Students will need to solve 30 MCQs after completing the course. Passing criteria is 50 % and those students only will be awarded certificate of completion.

Feedback:

Feedback will be obtained from students to obtain suggestions regarding conduction, topics covered and improvement.

Subject : Report of value added course in Medico-Legal Aspects of Clinical Practice

Respected madam,

As per your guidance department of Agadtantra had organized value added course in Medico-Legal Aspects of Clinical Practice (SUBJECT CODE: CARC/VAC/AT/MLACP) for third year UG students during the period 17th May 2021 to 4th June 2021.

Detail report of the course is enclosed with this letter.

Thanking you .

Yours faithfully,

Dr J. J. Phadke

Dr A. A. Wadadekar

(Course coordinator)

Date: 5.6.2021

Report of value added course in Medico-Legal Aspects of Clinical Practice

Our department had organized a **value added course in Medico-Legal Aspects of Clinical Practice**. Prior permission for this course was obtained through application dated 3rd May 2021. Dr. J. J. Phadke and Dr. A. A. Wadadekar were appointed as course coordinator for this course. Subject code "CARC/VAC/AT/MLACP" was allotted for this course.

- Aims and objectives of this course were:

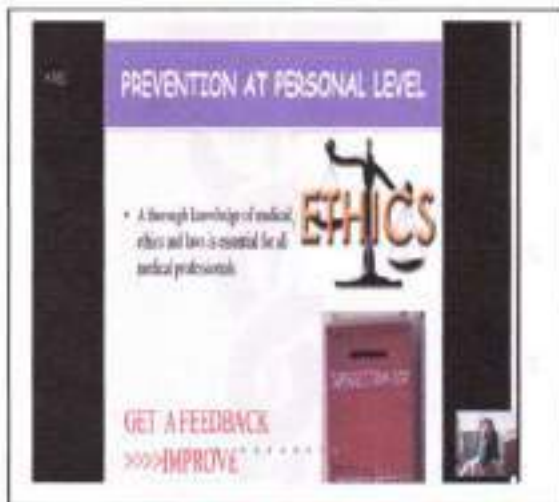

- 1) To increase awareness among students about medico legal situations which may arise in clinical practice.
- 2) To identify medico legal problems which can arise in clinical practice.
- 3) To guide them, how to respond if such situation arises.

- Eligibility for the course was Third Professional Year BAMS; currently students of Aglave batch (summer 2021 MUHS appearing batch) were enrolled in this course.
- A Google form was circulated to these students for enrollment in the course. 59 responses were received.
- Dr. J. J. Phadke, Dr. T. S. Khairnar and Dr. P. B. Tople were appointed as a faculty for this course.
- Duration of course was 16 hours. Syllabus prepared for this course consists of 9 modules which were distributed among 16 hours. From 17th may daily lecture of 1-hour duration was conducted using College zoom id.
- A detail planner was prepared prior to the commencement of course. The same was informed to the students.
- 1 lecture was allotted for hands on activity of medical certificate writing.
- On last day of course, 30 marks MCQ test was carried out through google forms. 53 students submitted the form. 48 students obtained more than 50% marks and completed this course successfully.
- Feedback regarding course content and faculty were also collected for further scope of improvement.
- E certificates issued to the 48 successful candidates.

EVENT REPORT

Report of Certificate course in Therapeutic Yoga

Department of Swasthavritta had organized a Certificate course in Therapeutic yoga with prior permission. (Application dated May 21). Dr.Arati Firke was appointed as course coordinator for this course.

Subject code: CARC/VAC/SW/TY

- **Beneficiary-** Course was designed for Third year BAMS students, current students of Aglave batch(Summer 21 MUHS appearing batch)
- **Fees -Nil**
- **Aim and objectives of the course:**
 1. To teach students about importance of Yoga in their own lifestyle in such pandemic situation.
 2. To teach students management of cases of lifestyle disorders with the help of Yoga.
 3. To guide the students about how to manage Pregnancy related cases, Pediatric cases and geriatric cases with the help of yogic practice.
 4. Spreading our "INDIAN Yogic Science" all over the world through our trained and qualified Ayurved students.
- **Duration of Course :** 16 hours ; from 1st June to 18th June 2021
- **Brief description of the event:**
 - A Detail brochure was prepared for the advertisement and information of the course.
 - A Google form was shared for registration for on whats app. G. Form link : <https://forms.gle/xNgaUaspkZooWUvz8>
 - Syllabus: syllabus for this course was with 17 modules divided in 17 hours
 - The course was conducted online using Zoom app on College zoom Id.

- A whats app group was made for sharing the daily updates. Daily link of lectures was sent to the students on the same whats app group.
 - Dr Arti Firke has taken first lecture of Introduction and basics of this course on first day. Dr Deepali Manore, Dr Manjusha Potdar, Dr Supriya Sanap , Dr Madhulika Singh, Dr. Vikas Chothe , Dr. Pratik Patil were appointed as Faculty for this course.
 - Specialist Guest lecturers were also invited for demonstration and experience sharing Mr Amar sant (Director of Amaryoga foundation), Mrs Smita Kulkarni (Yoga teacher), Mr Pramod Niphadakar(Director of Yogavidyadham, Pune) and Dr. Vikas Chothe (Director of Swastiyoga centre, Pune).
 - 3 Practical sessions were conducted based on Pranayam, Aasan, Garbhasanskar, and iyengar yoga practice.
 - One lecture for Scope of Yoga as a career in all over the world was also conducted.
 - A MCQ exam was conducted on Google form for checking the output of the course from students. 51 students gave the exam and all passed the exam with more than 50% marks.
 - Finally E certificate "Certificate of Completion" of the course was issued to all the successful 51 students who passed the MCQ exam.
 - Feedback form was regarding course contain and Faculty was also collected and suggestions were accepted from the students for further improvement.
- **What students gain :**
 - Students gain the confidence of handling yoga cases ,
 - Some additional knowledge about different yoga practices ,
 - They also developed more interest in learning and following yoga practices.
 - Now they can think about spreading our "INDIAN Yogic science" all over the world

No of students qualified for certification – 15

REPORT –

The course was started aiming to impart the skill of identification of plants in participants. Total 16 modules were designed which include some lectures on basic botany and other lectures were focused on systematic of particular families. Course was carried out both offline & online. Field Visits were also carried out on 7-7-2021 & 8-7-2021 in the *Bhavaprakash* Botanical Garden, Dehu Road to get hands on training to students. Total 12 highly qualified faculties attached to different Ayurved Colleges from all over Maharashtra taught the modules. All the online sessions were recorded and preserved on departmental computer.

USEFULNESS OF THE COURSE –

Students enjoyed the whole course. In starting the botanical terms were got refreshed. A new arena to study the plant using family key character was opened for them. Skills of identification of medicinal plants in near vicinity were imparted in attendees. Now at least they can reach up to family & genus of medicinal plant successfully. The minute observation skills were also got inculcated in them indirectly.

Subject: Application for organizing value added course in Rachana Sharir

Respected madam,

Department of Rachana Sharir is planning to organize 'value added course' for 1st BAMS students. The subject of proposed course is 'Study of Rachana Sharir for University Examination & for Clinical Practice'.

This course will help to increase awareness among students about the preparation for Examination of Rachana Sharir. It will be useful in clinical practice also.

Duration of this course is 16 hours. The course is scheduled from 10/11/2022 to 19/11/2022 ^{after} college working hours. We need permission to keep this course free to all 1st year students (Adsul Batch). Please allow us to provide E-certificates with subject code - CARC/VAC/RS for these students.

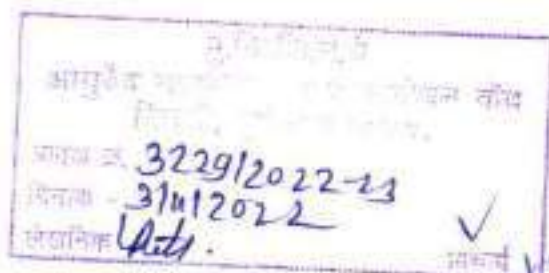

We request you to grant this course for further records.

Thanking you in anticipation.

Yours faithfully,

for 
Dr. P. B. Tople

Prof. & HOD of Rachana Sharir

- **Location of the event:** Class room No. 1, CARC Nigdi, Pune.
- **No. of persons attending the event:**
Students: 60 Teachers: 8 Other: ---
- **Mode of event:** Offline
- **Link for online event:** -----
- **You tube link for video:** -----
- **Drive Link for geotag photos:** https://drive.google.com/drive/folders/1aCZfRJ9PoNM8gqSfOLduzysQPCQNHF?usp=share_link
- **Contact Person:** Dr P. B. Tople 9423573123
- **Email id:** carcme.rachana.sharir@gmail.com
- **Brief summary of the event:**

Recently NCISM has introduced the new curriculum for the 1st Professional B.A.M.S. with the changes in the pattern of the examination papers as well as the internal examinations. Hence, there was a strong need for the students to be made aware of the new outline.

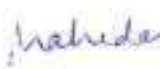

Anatomy & Ayurvediya Rachana Sharir are the basic subjects. They are having applications with the future clinical practice with respect to clinical & laboratory diagnosis, Ayurvedic & Modern treatment & surgical procedures. Keeping these views in mind, the whole value-added course was planned. All the modules were based on the above objectives.

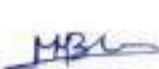

All the resource persons were from our Institute. The course was conducted in college hours. All 1st year B.A.M.S. (Admission 2021-2022) students attended the course and got benefited. Pre & post assessment tests & Students feedbacks were collected with the google form. All records are preserved in departmental file.

We are thankful to our Principal Dr. R.R. Patil Madam for giving us the opportunity to conduct the value-added course.

विषय - क्रिया शारिर विभागाचे Value added course
निर्माण - schedule - परवानगी.

मा. महोदया,
आपल्या मार्गदर्शनानुसार क्रिया विभागाने
NAAC च्या अनुषंगाने Value added course (VAC)
देण्याचे ठरविले आहे.

Value Added course on
Integrated Approach to Dermatology.

कालावधी - १२ मे २०२३ ते २७ मे २०२३
Total hours - 16.

अपेक्षित विद्यार्थी - 3rd / 4th year BAMS
MD Scholars, PhD students.

विनामूल्य कोर्स आहे.

१) ~~ह्या~~ Dermatology कोर्स मुळे आपल्या विद्यार्थ्यांचे
त्वचा रोग विषयातील कौशल्य (skill) वाढण्याच्या
दृष्टीने आपण ह्या course चे Teaching modules
संगठित केले आहेत.

२) त्वचा रोगावर व्याख्यान देण्यासाठी वही आपले
शैक्षणिक नोंदणे बाहेरील लक्ष वेळविले आहेत
तरी आपण course modules, Time table
व खर्चाचा मासपत्रा द्यावी.

खर्चामध्ये प्रामुख्याने बाहेरील कॉलेज व्यतिरिक्त
लक्षांचे मानधन, जाण्यायेण्याचा खर्च अपेक्षित
आहे.

तरी आपण क्रिया विभागाच्या स्वहत्या
शैक्षणिक उपक्रमास परवानगी द्यावी ही नम्र विनंती.

आपले विश्वासू
