Proceeding of Meeting

Date: 13/04/2022

Time: 1.30 PM

Venue: Auditorium

Agenda of Meeting:

1. Review of previous meeting minutes
2. Discussion on Transitional curriculum
3. Revision of SOP of absent students in internal exam
4. Discussion on mentor mentee scheme for PG students
5. Discussion on UG , PG course and program outcomes.
6. Discussion on feedbacks obtained on Curriculum from various stakeholders

Minutes of Meeting:

IQAC Co-ordinator Dr. R. B. Bobade welcomed Chairperson Dr. R. R. Patil Madam and all the members of Internal Quality Assurance Cell (IQAC).

After the welcome address by Chairman the agendas were taken for discussion one by one.

Agenda 1: Review of previous meeting minutes

Previous meeting minutes were read by IQAC Co-ordinator Dr R. B. Bobade. The action taken report was presented.

Decision: IQAC members discussed and approved the minutes of meeting and action taken report held on 3rd January 2022

Agenda 2: Discussion on Transitional curriculum

Dr R. B. Bobade informed all members regarding admission process of 1st BAMS is ongoing and as per the policy of NCISM, we have to organize transitional curriculum for these students. Dr. Phadke gave detailed expected curriculum.

Decision: Discussion was done. All members agreed that transitional curriculum should be organized in the month of May after completion of admission process, till then instructions for commencement of regular lectures was given. All members suggested some speakers whose guidance can be beneficial for students.

Agenda 3: Revision of SOP of absent students in internal exam

Dr Jamdade and Dr More briefed all members the technical difficulties faced by academic coordinators during conduction of exam of absent students.

INTERNAL QUALITY ASSURANCE CELL

Decision: Discussion was done and inputs from all members were taken into consideration. UG academic director Dr Mokashi and all academic coordinators were also involved in the discussion and final revised policy was decided unanimously.

Agenda 4: Discussion on mentor mentee scheme for PG students

Dr. Chobhe explained ongoing mentor mentee scheme to all. She put forth that there is need of PG mentor mentee scheme.

Decision: Discussion was done by all the members and all members agreed that Guide of PG student can be an effective mentor. All PG guides were informed the same.

Agenda 5: Discussion on UG, PG course and program outcomes.

Metric No.2.6.1 QIM refers to the learning outcomes (generic and programme-specific) and graduate attributes stated by the institute as per the provisions of the Regulatory bodies and the University. These should be communicated to the students and teachers through the website and other documents

Decision: All departments were informed to study course and program outcomes set by NCISM in new syllabus and prepare the same for their subjects.

Agenda 6: Discussion on feedbacks obtained on Curriculum from various stakeholders

Feedback regarding curriculum was obtained from UG, PG, alumni students and professionals during October to December 2021. Feedbacks were reviewed by the feedback committee. Dr Mahadar madam informed all the members that many feedbacks gave suggestions to bridge the gap between theory and hands on training.

Decision: Feedbacks obtained on Curriculum from students, teachers, alumni and professionals were discussed. Feedback analysis report is attached with these meeting minutes.

Summary of the salient points discussed and decided for implementation:

1. Transitional curriculum
2. Revision of SOP of absent students in internal exam
3. mentor mentee scheme for PG students
4. UG , PG course and program outcomes

*After initial scrutiny by Feedback committee , following suggestions are forwarded for further consideration.

Sr.no.	Suggestions by Students
1.	Syllabus is vast number of periodicals of first year should be reduced MS (Shalakyatantra) should be divided as ENT and Ophthalmology
2.	Sufficient books are not available in the library specially for hindi translations of Ayurveda
3.	More hands on training in hospital and in the form of skill labs and dissection. For surgical subjects.
	Suggestions by Teachers
4.	Syllabus should be more concise, periodic exams should be less (kriya Sharira)
5.	It's difficult to cover the entire syllabus in two terms only...better to get 3 semesters to teach. (Balrog)
6.	Change in syllabus of RS&BK is needed (RS&BK)
7.	Book purchasing system of library should be improved well. Any imp book suggested by staff should be forwarded quickly for processing further, pg librarian change is must
8.	As Dravyguna syllabus is main base of Chikitsa...Student should observed clinically on patients but NCISM mentioned Dravyaguna under non clinical..So it must included under clinical dept. and OPD will started for <i>Ekal Dravyachikitsa</i>
9.	Embryology is vast topic so it is hard to complete in 1st term so some part should be also in 2 bones and myology go hand in hand so should be covered in 1st term together term (Sharir Rachana)
	Suggestions by Alumni
10.	Organize alumni get-together every 5 years
	Suggestions by Professionals
11.	Duration of lecture should be 45 minutes max
12.	Academic and practical session need to synchronize from second year.. Strictly in college
13.	Should understand students think

Decision: Dr. Mahadar, Dr. More suggested names of students of first year UG Ms. Gayatri Kenjale and Mrs. Mrunal More as a parent representative. Dr. Bobade sir suggested name of Dr. Shambhavi Iyyer as an alumni representative.

Considering exam duties of Dr. J.J. Phadke, Dr. Anuja Wadadekar is appointed as Cr.1 chairperson. Dr. Patil suggested doing communication with them for consent and giving them appointment letters, if they are willing to participate. She also notified that other members of IQAC committee will be continued for next three years.

Agenda 3: Reformation of pharmacovigilance committee

This topic was taken into discussion as per application by Dr Tate, who is currently working as chairman of pharmacovigilance committee. He had suggested that as per the MSE draft of NCISM, committee reformation is needed. Hence this topic was taken for discussion.

Decision: Existing guidelines regarding establishment of pharmacovigilance cell and suggested structure in new draft were reviewed. It was decided by all the members that changes in committee is not needed in current situation. When MSE regulations will come into effect then only changes will be made as draft may undergo some changes.

Agenda 4: Discussion on ISO and Green Audit

Dr. Sane briefed on details of ISO which will be beneficial during process of NAAC Accreditation. Dr Bobade gave details of quotation and expected functioning to achieve it.

Decision: Dr. Patil advised that counseling of office staff is very crucial if we have to go for ISO and NAAC. Instructions were given to Mr. Pravin More to arrange office staff meeting as soon as possible. Inputs were given by all members in this discussion. Dr. Firke and Dr. sane were advised to check for standard norms prescribed for green audit and further discussions were advised on the same.

Action taken report on curriculum feedbacks received from different stakeholders

Academic year: 2022-2023

Feedback collection duration: October to December 2022

*After initial scrutiny by Feedback committee , following suggestions were taken into consideration.

Suggestions	Action taken report
Students	
- Syllabus is vast - number of periodicals of first year should be reduced - MS (Shalakyatantra) should be divided as ENT and Ophthalmology	Not in purview of college. Decision regarding these suggestions can only be taken by NCISM, New Delhi.
Sufficient books are not available in the library specially for hindi translations of ayurveda	Review regarding number of books in various languages was obtained from Librarian. It was observed that total 17324 books are available in library. Approximately number of books according to language are as following; Sanskrit:10%, Hindi :20%, Marathi : 30% and English :40 % So they were found sufficient. Still instructions were given to librarian to buy multiple language books in next purchase.
More hands on training in hospital and in the form of skill labs and dissection.	Separate clinical Skill lab establishment is under process.

For surgical subjects.	Clinical departments were informed to increase hands on trainings.
Teachers	
Syllabus should be more concise, periodic exams should be less (kriya Sharira)	This suggestion comes under the purview of NCISM and not under college.
It's difficult to cover all the syllabus in two terms only...better to get 3 semesters to teach. (Balrog)	Change in curriculum is already under process from admission year 2021-22, as per it 2nd and third year BAMS will be of 1.5 years duration.
Change in syllabus of RS&BK is needed (RS&BK)	Syllabus reformation of second year is under process by NCISM. New syllabus for 2nd year BAMS will be coming soon.
Book purchasing system of library should be improved well. Any imp book suggested by staff should be forwarded quickly for processing further, pg librarian change is must	The college has a system for purchase of books every year. Sometimes the process takes longer because the books may not be available with the vendors. Changing the PG Librarian comes under the purview of head office.
As Dravyguna syllabus is main base of Chikitsa...Student should observed clinically on patients but NCISM mentioned Dravyaguna under non clinical..So it must included under clinical dept. and OPD will started for <i>Ekal Dravyachikitsa</i>	This suggestion comes under the purview of NCISM and not under college.
Embryology is vast topic so it is hard to complete in 1st term so some part should be also in 2 bones and myology go hand in hand so should be covered in 1st term together term (Sharir Rachana)	This suggestion comes under the purview of NCISM and not under college.
Alumni	
Organize alumni get-together every 5 years	This suggestion is not related to Syllabus or curriculum. but it is already under process by the alumni Limited batches get together per year will be organized.

Principal
 P.D.E.A.S.
 College of Ayurved And Research Centre
 Nigdi, Pune - 411 044.

Professionals	
Duration of lecture should be 45 minutes max	Duration of theory lectures are 1 hour as per the guidelines of NCISM. Hence changing the same is not in purview of college.
Academic and practical session need to synchronize from second year.. Strictly in college	It is already synchronized form 1st BAMS itself, as per curriculum prescribed by NCISM. Clinical postings are arranged in hospital.
Should understand students think	The new syllabus as per NCISM is student centric.
