Principal's Note

As the Principal of our College of Ayurveda and Research Centre, I am honored to share this page with you. Over the last three decades, with the support of our parent organization, Pune District Education Association (P.D.E.A.), our institution has grown and evolved, becoming an inspiration of excellence in Ayurveda.

PDEA's Ayurved College & Research Centre is recognized by NCISM, New Delhi and affiliated to Maharashtra university of health sciences, Nashik (Maharashtra)

It is my hope that this page will provide valuable insights about our institution, and our efforts to make our pupils a good doctor with the authentic knowledge of comprehensive health care.

To develop professionally skilled practitioners in the health care sector, we have implemented a competency-based dynamic curriculum for our BAMS programs designed by NCISM, New Delhi.

To ensure academic and clinical excellence, we organize guest lectures, workshops, seminars, clinical meetings, and visits to leading herbal gardens and research sites College has fourteen Undergraduate & postgraduate departments, each supported by a dedicated research department to promote evidence-based research in Ayurveda. We are a recognized PhD center for 13 departments and also offer fellowship programs in 2 subjects & certificate course in 1 subject.

Research is a priority at our college, and we publish the bi-annual peer-reviewed journal "PDEASIJRAAS" to showcase authentic research. In 2020, our faculty received research grants from the AYUSH Ministry for SARS-CoV-2 and COVID-19 research. Additionally, the Samhita Department secured a MUHS-LTRG grant, and students from Dravyaguna & Agadtantra received PG Star grants from CCRAS.

We are making every possible effort to generate evidence-based Ayurveda to achieve social and global acceptance of this ancient science through UG, PG & PhD research. Central Research Laboratory of our institute is dedicated to the macroscopic and microscopic examination of biological plant elements. all departments engage in distinct research projects. UG students also conduct research under MUHS scholarships and actively participate in "Avishkar", a student research platform by MUHS.

Our institution is Accredited by NAAC- "A" Grade, NCISM-QCI Rating-1st in Maharashtra & 6th in India.

Our institution features a 220-bedded NABH-accredited hospital with advanced OPD and IPD facilities. We perform a range of major and minor surgeries in specialties like gynecology, orthopedics, and ophthalmology. Our ultramodern diagnostics include pathology labs, USG, CT scan, and ICU/NICU. We also offer comprehensive Panchakarma treatments in our state-of-the-art unit.

We are committed to our pupil's safety, growth and development. Once admitted to our college, we take full responsibility for nurturing their skills and helping them excel in their chosen field.
